

Ancient goddess
Mother who creates
Gaia virtue
Lost in the blue

Chaos and harmony
Green alchemy
Chance
Without mercy

Sand and tide
Fire and madness
Time that was
That not and more

Earth poetry
Slow odyssey
Shady brightness
Lost in the immensity

Earth poetry
Slow odyssey
Shady brightness
Lost in the immensity

It strikes in you
Of fire a heart
That will heat
the humanity

Infinite mother
Who gifts the life
That you take and that from
Not it will die

I will return
From you I will return
I will be always in the wind that goes
I will breathe
For the eternity
With you in order always I will live

Mother earth...
