

# Take Me Away

Globus

Kneel in silence, alone  
My spirit bares me  
Pray for guidance, towards home  
In darkest hours

Kneel (dream within dream we travel)  
In silence (empires of faith unravel)  
Alone (sealed with our virtues' treasures)  
Kingdoms falling...

Down (who's hand commands this thunder)  
In silence (cry as we're torn asunder)  
Alone (unto what gods do I call?)  
Protect us in our...

Fall away, my soul wandered  
Borne by grace  
I flew on high, sheltered from this thunder  
Calling heaven..

Take me away from time and season  
Far far away we'll sing with reason  
Prepare a throne of stars above me  
As the world once known will leave me

Take me away upon a plateau  
Far far away from fears and shadow  
Strengthen my heart in times of sorrow  
Light the way to bright tomorrows

Answer our call in desperate hours  
Shelter our fall from earthly powers  
Temper our souls with flame and furnace  
Bear us toward a noble purpose

Heaven hides nothing in its measure  
Mortal men blinded by false treasure  
Formless and vanquished we shall travel  
Shield and sword will guide our battle

Take me away from time and season  
Far far away we'll sing with reason  
Prepare a throne of stars above me  
As the world once known will leave me

Take me away upon a plateau  
Far far away from fears and shadow  
Strengthen my heart in times of sorrow  
Light the way to bright tomorrows

Heaven hides nothing in its measure  
Mortal men blinded by false treasure  
Formless and vanquished we shall travel  
Shield and faith will guide our battle

Salvation comes in desperate hours  
Angels on high proclaim these powers

Lead us from chaos we shall follow  
Bear us to a bright tomorrow
