

## Bedtime Story

Gloomy Grim

Listen my child, I'll tell you a story  
There was a man who was crucified  
Other people began to write this fairytale  
Started to spread his words of wisdom

BELIEVE in my god or you will DIE  
That is the mantra they are still using

BELIEVE in my god or you will DIE  
It is only for the love of their god

Believe or not they still exist  
They love you so much that  
you have to give your life  
Like their father gave away his son  
In their mind you owe at least that

I am going to die for your sins  
Remember to kill all who dare to deny that

Take their lands or burn them down  
I am going to be Eternal  
If you do as I want, you can be it too

WARFARE among the living  
This is what I wanted  
TOTAL DEATH to mankind  
This is what I needed  
PUNISHMENT for the sale of father  
I don't know who he was  
LAW OR DEATH with laughter  
I can not live

That was the end of story  
Now go to sleep  
Dream of something nice  
Don't be afraid  
They won't get you, I promise  
I will protect you from their attack
