

# Ocean Of Candles

Gloomy Grim

I went to the Shadow World  
To seek the Truth  
They called me to Join Them

When I entered in  
Their Gloomy Hall of Death,  
The Ocean of Candles burnt bright

I opened the Gates of Sorrow and Pain  
And I knew I wasn't there in vain

Join us...

Come inside, The Master of ALL  
Is waiting

[chorus :]  
You are welcomed to The Kingdom of Death  
This is what you have been waiting for

Here you will be Eternally  
My son, this will be all yours

My son, this all will be yours,  
But now you will have to go back  
To the earth to spread Our Message

NO, I don't want to go  
Back to the earth  
I want to master all this  
And torture the christian souls

[chorus]

So, They put me back to the earth  
And I will keep my Promise to Them

I will spread the Message of The Masters,

DO WHAT THOU WILT
