

October - Cellar Dweller

Gloomy Grim

"You can't blame me for what you have done,
Bitch, witch and the others.
I am not the one to be blamed.
I'll send in the bird,
see you here.

You came here, where I have lived for oh, so long
I don't want to hurt you,
I am only asking that you let me sleep.

I am going to be free,
I'll possess your soul.
and then I can die and see
too long a time in torment.

For reasons I don't know.
I must be set free,
it's your time to suffer,
as you become me.

I am a cellar dweller,
someday you will be here too.
I am a cellar dweller,
Someday you all will dwell here too."
