

# Always Tomorrow

Gloria Estefan

1. I've been alone inside myself, far too long.  
Never really wanted it that way, but I let it happen.

If I could do it all again, my life would be infinitely better

Than before, I wouldn't waste a moment.

Make time for laughing with my friends.

Make love, make music, make amends.

Try to make a difference, try to love, try to understand.

Instead of just giving up, I'd use the power at my command.

R: But there's always tomorrow, to start over again.

Things will never stay the same, the only one sure thing is change.

That's why there's always tomorrow.

2. I guess it took a little time, for me to see.

The reason I was born into this world,

And what I'd have to go through.

For I've finally realized, that I could be,

Infinitely better than before, definitely stronger.

I'll face whatever comes my way, savor each moment of the day,

Love as many people as I can along the way.

Help someone who's given up, if it's just to raise my eyes and pray.

R: But there's always tomorrow...
