

# Don't Let the Sun Catch You Crying

Gloria Estefan

Don't let the sun catch you crying  
The night's the time for your tears  
Your heart may be broken tonight  
But tomorrow in the morning light

Don't let the sun catch you crying

The night-time shadows disappear  
And with them go all your tears  
But the morning will bring joy  
For every girl and boy

So don't let the sun catch you crying

They say that crying's not a bad thing  
But stop your crying when the birds sing

It may be hard to discover  
That you've been left for another  
But don't forget that love's a game  
And it can always, always come again

So, don't let the sun catch you crying  
Catch you crying  
Don't let the sun catch you crying  
Oh no, oh no
