

When you give what's in your heart  
To the one you love  
You want them to give their love back to you  
When every kiss and every smile  
Mean the world to you  
Then you've got it bad  
Don't need a cure for what you're going through  
This feelin' inside you can't let it hide

Feelin' never gonna stop the feelin'  
When your love is true  
Feelin' never gonna stop the feelin'  
There ain't nothin' you can do now  
Feelin' never gonna stop the feelin'  
You feel it through and through honey  
Feelin' never gonna stop the feelin'

'cause there ain't nothin' you can do boy  
When every look and touch  
Makes you come undone  
And you can't believe this feelin' is real  
When the sound of someone's name  
Gives you butterflies  
Don't wonder why 'cause you can be sure  
That you're in love  
This feelin' inside you can't let it hide

Feelin' never gonna stop the feelin'  
When your love is true  
Feelin' never gonna stop the feelin'  
There ain't nothin' you can do now  
Feelin' never gonna stop the feelin'  
You feel it through and through honey  
Feelin' never gonna stop the feelin'  
'cause there ain't nothin' you can do boy

Oo hoo hoo boy oo hoo hoo  
Oo hoo hoo boy oo hoo hoo  
Oo hoo hoo boy oo hoo hoo  
Oo hoo hoo boy oo hoo hoo

Feelin' never gonna stop the feelin'  
When your love is true  
Feelin' never gonna stop the feelin'  
There ain't nothin' you can do now  
Feelin' never gonna stop the feelin'  
You feel it through and through honey  
Feelin' never gonna stop the feelin'  
'cause there ain't nothin' you can do boy

Oo hoo hoo boy oo hoo hoo  
Oo hoo hoo boy oo hoo hoo  
Oo hoo hoo boy oo hoo hoo  
Oo hoo hoo boy oo hoo hoo
