Good Morning Heartache

Gloria Estefan

Good morning, heartache, you ole gloomy sight Good morning, heartache, thought we'd said goodbye last night I tossed and turned until it seemed that you had gone But here you are with the dawn

Wish I'd forget you But you're here to stay It seems I met you When my love went away Now everyday I start by saying to you Good morning, heartache, what's new?

Stop haunting me now
Can't shake you, no how
Just leave me alone
I've got those Monday blues
Those straight through Sunday blues

Good morning, heartache, here we go again Good morning, heartache, you're the one who knew me when I guess I might as well get used to you hanging around Good morning, heartache, sit down

Stop haunting me now Can't shake you, no how Why would you please leave me alone I've got those Monday blues Straight through Sunday blues

Good morning, heartache, here we go again Good morning, heartache, you're the one who knew me when I guess I might as well get used to you hanging around Good morning, heartache, why don't you sit on down, sit down, s it down
