

## Hold Me, Thrill Me, Kiss Me

Gloria Estefan

Hold me, hold me  
Never let me go until you've told me, told me  
What I want to know and then just hold me, hold me  
Make me tell you, I'm in love with you

Thrill me, thrill me  
Walk me down the lane where shadows will be, will be  
Hiding lovers just the same as we'll be, we'll be  
When you make me tell you, I love you

They told me be sensible with your new love  
Don't be fooled thinking this is the last you'll find  
But they never stood in the dark with you, love  
When you take me in your arms and drive me slowly out of my mind

Kiss me, kiss me  
When you do I know that you will miss me, miss me  
If we ever say, "Adieu" so kiss me, kiss me  
Make me tell you, I'm in love with you

Kiss me, kiss me  
When you do I know that you will miss me, miss me  
If we ever say, "Adieu" so kiss me, kiss me  
Make me tell you, I'm in love with you

No, no, never, no, no never, never, never  
Never, never let me go, never let me go  
Never, never, never let me go

No, no, never, no, no, never  
Kiss me, baby, never, never  
Never let me go

Never let me go, never, never, never let me go  
No, no, never, no, no, never  
Thrill me, kiss me baby
