Hold Me, Thrill Me, Kiss Me

Gloria Estefan

Hold me, hold me

Never let me go until you've told me, told me

What I want to know and then just hold me, hold me

Make me tell you, I'm in love with you

Thrill me, thrill me
Walk me down the lane where shadows will be, will be
Hiding lovers just the same as we'll be, we'll be
When you make me tell you, I love you

They told me be sensible with your new love Don't be fooled thinking this is the last you'll find But they never stood in the dark with you, love When you take me in your arms and drive me slowly out of my min d

Kiss me, kiss me
When you do I know that you will miss me, miss me
If we ever say, "Adieu" so kiss me, kiss me
Make me tell you, I'm in love with you

Kiss me, kiss me
When you do I know that you will miss me, miss me
If we ever say, "Adieu" so kiss me, kiss me
Make me tell you, I'm in love with you

No, no, never, no, no never, never, never Never, never let me go, never let me go Never, never, never let me go

No, no, never, no, no, never Kiss me, baby, never, never Never let me go

Never let me go, never, never, never let me go No, no, never, no, no, never Thrill me, kiss me baby
