

# I Just Wanna Be Happy

Gloria Estefan

Yeah

Wanna midnight rendezvous  
Wanna give my love to you  
Wanna make my dreams come true  
I just wanna to be happy

Wanna dance the whole night through  
Wanna smell the flowers too  
Wanna feel like lovers do  
I just wanna to be happy

I'm dancin' 'cause I feel good inside  
I got the feelin' that money just can't buy  
I may be dreaming or is it my reality?  
Ohh, wow, wow, wow

I'm a believer and I believe I'm free  
I could be happy because I want to be  
Don't need nobody  
To say what's right or wrong for me, ohh

I wanna midnight rendezvous  
Wanna give my love to you  
Wanna make my dreams come true  
I just wanna to be happy

Wanna dance the whole night through  
Wanna smell the flowers too  
Wanna feel like lovers do  
I just wanna to be happy

I just wanna to be happy  
I just wanna to be happy

I'm moving to where I want to go  
Feelin' the rhythm, lettin' my body flow  
Made a decision to control my destiny  
Ohh, wow, wow, wow

Don't want to sit back, watchin' life pass me by  
I want to get up, you know I've gotta fly  
Won't ever give up  
Until I'm happy, joyous and free, yeah

Wanna midnight rendezvous  
Wanna give my love to you  
Wanna make my dreams come true  
I just wanna to be happy

I wanna dance the whole night through  
Wanna smell the flowers too  
Wanna feel like lovers do  
I just wanna to be happy

I wanna feel  
Wanna make my

Wanna make my  
Wanna make my

I just wanna be happy, joyous and free  
Happy, joyous and free  
Happy, joyous and free  
Happy, joyous and free

Happy, joyous and free  
Happy, joyous and free  
Happy, joyous and free  
Happy, joyous and free

Wanna midnight rendezvous  
Wanna give my love to you  
Wanna make my dreams come true  
I just wanna to be happy

Wanna have an ocean view  
Wanna smell the flowers too  
Wanna feel like lovers do  
I just wanna to be happy

I just wanna to be happy  
I just wanna to be happy  
I just wanna to be happy  
I just wanna to be happy
