

# I See Your Smile

Gloria Estefan

I, get a little tongue twisted  
Every time i talk to you  
When i see you  
And i'm so glad that you just missed it  
The way i stared to memorize your face  
To kiss you in my mind  
Love you all the time  
'cause when i close my eyes  
I still can see your smile  
It's bright enough to light my life  
Out of my darkest hour  
Please believe it's true  
When i tell you i love you

I've taken too many chances  
Searching for the truth in love  
That's in my heart  
Tell me if i made the wrong advances  
Tell me if i've made you feel ashamed  
'cause i know i have to do this  
Would you hold my hand right through it  
'cause when i close my eyes  
I still can see your smile  
It's bright enough to light my life  
Out of my darkest hour  
Please believe it's true  
When i tell you i love you

I had to let you know  
Just what would happen  
Yes, i had to let you know the truth  
I know i've got to do this  
Would you hold my hand right through it  
Would you  
'cause when i close my eyes  
I still can see your smile  
It's bright enough to light my life  
Out of my  
Darkest hour  
Please believe it's true  
When i tell you i love you  
I know now this is true  
When i tell you i love you
