

It's Too Late

Gloria Estefan

Stayed in bed all mornin' just to pass the time
There's something wrong here, there can be no denyin'
One of us is changin'
Or maybe we've just stopped tryin'

And it's too late baby, now it's too late
Though we really did try to make it
Somethin' inside has died
And I can't hide and I just can't fake it
No, no, no, no

It used to be so easy living here with you
You were light and breezy and
I knew just what to do
Now you look so unhappy and I feel like a fool

And it's too late baby, now it's too late
Though we really did try to make it
Somethin' inside has died and I can't hide
And I just can't fake it
No, no, no

There'll be good times again for me and you
But we just can't stay together
Don't you feel it too?
Still I'm glad for what we had and how I once loved you

And it's too late baby, now it's too late
Though we really did try to make it
Somethin' inside has died and I can't hide
And I just can't fake it
No, no

Baby, it's too late now, darlin'
It's too late
Baby, it's too late
