

# Oye Mi Canto (Hear My Voice)

Gloria Estefan

Take me only for what I am

You've got a right to speak your mind

You've gotta take a stand.  
No-one has the right to stay  
This is right or that is wrong  
it isn't just one way.

Find common ground  
go in between

Things aren't always what they seem.

Someday it'll be alright  
changes happen overnight.  
People  
let's give each other room

If we're gonna work it out we better make it soon.  
Love is  
love is such a common word

When it's pride we mistake for love

Isn't it absurd?

Why always take the upper hand

It's better to understand.

Someday it'll be alright  
changes happen overnight.  
Someday it'll be alright  
changes happen overnight.

Oye mi canto.  
I believe in love with no conditions - oye mi canto.  
And giving in sometimes doesn't make it submission - oye mi canto.  
Hate is so common  
it's almost tradition - oye mi canto.  
Come on  
let's leave it behind and make the transition -  
oye mi canto.

Oye oye oye mi canto - oye mi canto
