Oye Mi Canto (Hear My Voice)

Gloria Estefan

```
Take me only for what I am
You've got a right to speak your mind
You've gotta take a stand.
No-one has the right to stay
This is right or that is wrong
it isn't just one way.
Find common ground
go in between
Things aren't always what they seem.
Someday it'll be alright
changes happen overnight.
People
let's give each other room
If we're gonna work it out we better make it soon.
Love is
love is such a common word
When it's pride we mistake for love
Isn't it absurd?
Why always take the upper hand
It's better to understand.
Someday it'll be alright
changes happen overnight.
Someday it'll be alright
changes happen overnight.
Oye mi canto.
I believe in love with no conditions - oye mi canto.
And giving in sometimes doesn't make it submission - oye mi canto.
Hate is so common
it's almost tradition - oye mi canto.
let's leave it behind and make the transition -
oye mi canto.
Oye oye oye mi canto - oye mi canto
. . .
```
