

The Way You Look Tonight

Gloria Estefan

Love, is not a foolish game to me
Love, is my life and destiny
Love, is the spirit of my life
Love, and without it I can't survive
And it's not a game, when I call your name

Is more than I was dreaming
The way you hold me tight
It makes my heartbeat fast
Is more than I'll ever feel
The way you smile
Is heaven in my arms

Love, is sometimes a sacrifice
Love, there are tears and there are lies
Love, will always find your heart
Love, always try to make a start
And it's not a game, when I call your name
