

## What a Difference a Day Makes

Gloria Estefan

What a difference a day makes  
Twenty-four little hours  
Brought the sun and the flowers  
Where there used to be rain

My yesterday was blue, dear  
Today I'm a part of you, dear  
My lonely nights are through, dear  
Since you said you were mine

What a difference a day makes  
There's a rainbow before me  
Skies above can't be stormy  
Since that moment of bliss, your thrilling kiss

It's heaven when you  
Find romance on your menu  
What a difference a day made  
And the difference is you

What a difference a day makes  
There's a rainbow before me  
Skies above can't be stormy  
Since that moment of bliss, that thrilling kiss

It's heaven when you  
Find romance on your menu  
What a difference a day makes  
And the difference is you

What a difference a day makes  
And the difference is you  
What a difference a day makes  
And the difference is you
