

Even a Fool Would Let Go

Gloria Gaynor

It's funny how love goes
'Cause I know this will never work out
But honey how love grows
Even though there's no reason to doubt

This can never be
Keep sayin' it's wrong
Neither one of us is free
Still I want to hold on

Even a fool would let go
'Cause she knows that there's no use tryin'
Even a child would say no
When he knows that he'll end up crying

Tell me now
Is it wise holdin' you?
Even a fool would let go

Love has no reason
Like the words to a song that don't rhyme
My love has no season
I just know that it's there all the time

Maybe just you and me
I can't believe that it's wrong
Talking about you and me
Makes me want to hold on

Even a fool would let go
'Cause she knows that there's no use in tryin'
Even a child would say no
When he knows that there's is no use cryin'

Tell me now
Is it wise holdin' you?
But even a fool would let go

Tell me now, is it wise holdin' you?
When even a fool would let go
Tell me now, is it wise holdin' you?
When even a fool would let go
