Everybody Wants to Rule the World

Gloria Gaynor

Welcome to your life; there's no turning back Even while we sleep we will find You acting on your best behavior Turn your back on mother nature Ev'rybody wants to rule the world

It's my own design, It's my own remorse
Help me to decide. Help me make the most
Of freedom and of pleasure
Nothing ever last forever
Everybody wants to rule the world

There's a room where the light won't find you Holding hands while the walls come tumbling down When they do, I'll be right behind you So glad we've almost made it So sad they had to fade it Ev'rybody wants to rule the world

So glad we've almost made it
So sad they had to fade it
Ev'rybody wants to rule the world
So glad we've almost made it
So sad they had to fade it
Ev'rybody wants to rule the world

I can't stand this indecision
Married with a lack of vision
Everybody wants to rule the world
So glad we've almost made it
So sad they had to fade it
Ev'rybody wants to rule the world

Say you'll never, never, never, need it One headline, why believe it?
Everybody wants to rule the world
So glad we've almost made it
So sad they had to fade it
Ev'rybody wants to rule the world

All for freedom and for pleasure Nothing ever last forever Everybody wants to rule the world So glad we've almost made it So sad they had to fade it Ev'rybody wants to rule the world

So glad we've almost made it
So sad they had to fade it
Ev'rybody wants to rule the world
So glad we've almost made it
So sad they had to fade it
Ev'rybody wants to rule the world
