

How High The Moon

Gloria Gaynor

Somewhere there's music
how faint the tune!
Somewhere there's heaven
how high the moon!
there is no moon above when love is far away
too

Till it comes true that you love me as I love you.

Somewhere there's music
it's where you are

Somewhere there's heaven
how near
how far!
The brightest night would shine if you would come to me soon

Until you will
how still my aching heart
How high the moon.

Somewhere there's music
it's where you are
. . .

Somewhere there's music
music in the air
Oh
I love this heaven when you're near
I wanna hear the music
I wanna be where you are.
