

I'll Be There

Gloria Gaynor

You and I must make a pact
We must bring salvation back
Where there is love, I'll be there

I'll reach out my hand to you
I'll have faith in all you do
Just call my name and I'll be there

I'll be there to comfort you
Build a world of dreams around you
I'm so glad that I found you
I'll be there with a love so strong
I'll be your strength, I'll keep holding on

Let me fill your heart with joy and laughter
Togetherness is all I'm after
Just call my name and I'll be there

I'll be there to protect you
With an unselfish love that upholds and respects you
Just call my name, I'll be there

I'll be there to comfort you
Build a world of dreams around you
So glad that I found you
I'll be there with a love so strong
I'll be your strength, I'll keep holding on

Let me fill your heart with joy and laughter
Togetherness is all I'm after
Just call my name and I'll be there

I'll be there to protect you
With an unselfish love that upholds and respects you
Just call my name and I'll be there

If you should ever find someone new
I know she'd better be good to you
Cos if she isn't, I'll be there

I'll reach out my hand to you
I'll have faith in all you do
Just call my name and I'll be there

I'll be there to comfort you
Build a world of dreams around you
I'm so glad that I found you
I'll be there with a love so strong
I'll be your strength, I'll keep holding on

Let me fill your heart with joy and laughter
Togetherness is all I'm after
Just call my name and I'll be there
Just look over your shoulder, baby

I'll be there with a love that's strong
I'll be there to keep holding on

Just call my name and I'll be there

You and I must make a pact
We must bring salvation back
Where there is love, I'll be there
