

I Say A Little Prayer

Gloria Gaynor

The moment I wake up
Before I put on my makeup
I say a little prayer for you
While combing my hair, now
And wondering what dress to wear now
I say a little prayer for you

Forever, and ever, you'll stay in my heart
And I will love you
Forever, and ever, never apart
and I will love you
Together, forever, that's how it must be
To live without you
But only Be heart break for me

I run for the bus, dear
While riding I think of us, dear
I say a little prayer for you
At work I just take time
And all through my coffee break time
I say a little prayer for you

My darling, believe me
For me there is no one but you
Please love me too
I'm in love with you
Answer my prayer
Say you love me too
Why don't you answer my prayer, yeah
You know every day I say a little prayer
I say, I say I say a little prayer
