```
All the time
Tell me why I just keep thinking about you baby
Tell me if you can
Why I keep thinking about you baby
Ain't at all like I just wanna
I just keep thinking about you baby
Lord knows I got things to do
But they are all neglected, pushed aside by you
Oh, there is just no time and my head gets crowded
Ooh yeah, you're always on my mind
Just keep thinking about you baby
Just keep thinking about you baby
There is no way
I'll stop thinking about you baby
You go with me day to day
I can't stop thinking about my baby
Just a simple story about a lonely lady
Finding herself in love
And, oh, that is amazing, I won't be complaining
That means I would not change a thing 'cause I
Just keep thinking about you baby
A happy ending to my story
And all because of you
You tell me that you loved me
And I believe you do
I'm gonna be so patient
Baby, just take your time
Our love keeps growing stronger
And stronger all the time
Just keep thinking about you baby
