

# The Heat Is On

Gloria Gaynor

The heat is on, on the street  
Inside your head, on every beat  
And the beat's so loud, deep inside  
The pressure's high, just to stay alive  
'Cause the heat is on

Oh woo oh ho, oh woo oh ho  
Caught up in the action I've been looking out for you  
Oh woo oh ho, oh woo oh ho  
Tell me can you feel it? Tell me can you feel it?  
Tell me can you feel it?

The heat is on, the heat is on  
The heat is on, it's on the street  
The heat is on

Oh woo oh ho, oh woo oh ho  
Caught up in the action I've been looking out for you  
Oh woo oh ho, oh woo oh ho  
Tell me can you feel it? Tell me can you feel it?  
Tell me can you feel it?

The heat is on, the heat is on  
The heat is on, it's on the street  
The heat is on

The shadows are on the darker side  
Behind those doors, it's a wilder ride  
You can make a break, you can win or lose  
That's a chance you take when the heat's on you  
When the heat is on

Oh woo oh ho, oh woo oh ho  
Caught up in the action I've been looking out for you  
Oh woo oh ho, oh woo oh ho  
Tell me can you feel it? Tell me can you feel it?  
Tell me can you feel it?

The heat is on, the heat is on  
The heat is on, it's on the street  
The heat is on, the heat is on  
The heat is on, it's on the street  
The heat is on, the heat is on
