

Together We Can

Gloria Gaynor

Sometimes you say you love me
Sometimes you say you need me, baby
But then you're always leaving me
I need love not just sympathy
I know you don't really care
But then you always swear
That you and I were meant to be
You tell me

We belong together
We can make it better and better
We belong together
For ever and ever and ever

So many times I tried
To bring you closer to me, baby
I tried to make you see
How happy you and I can be
And now I am wasting my time
And you keep giving me that same old line
That you and I were meant to be
You tell me
