

# Sunset Lovin

Gloriana

I gotta front row seat  
An endless invitation  
Two hearts beat beat right in time

It's like we're flyin'  
We ain't even movin'  
The sky looks like it's catchin' catchin' fire

See the blacktop steamin'  
We dashboard dreamin'  
Gotta crazy feelin'  
Just like you (you) do

Hey oh you and me and the radio  
Kissin' along to our favorite song  
Troubles fade away

Hey oh  
I ain't ever gonna let you go  
All we need is all we got  
Sunset lovin' in a parkin' lot

Slide over here  
Let me lay out all my secrets  
Make one thing clear I wanna make you mine  
See the window steamin'  
We dashboard dreamin'  
I gotta crazy feelin'  
Just like you (you) do

Hey oh you and me and the radio  
Kissin' along to our favorite song  
Troubles fade away

Hey oh I ain't ever gonna let you go  
All we need is all we got  
Sunset lovin' in a parkin' lot

It's just you and me gettin' free  
Sunset lovin' in a parkin' lot  
It's just you and me gettin' free  
Sunset lovin' in a parkin' lot (lovin' in a parkin' lot)

It's just you and me gettin' free (free)  
Sunset lovin' in a parkin' lot (lovin' in a parkin' lot)  
It's just you and me gettin' free  
Sunset lovin' in a parkin' lot

Hey oh you and me and the radio  
Kissin' along to our favorite song  
Troubles fade away

Hey oh I ain't ever gonna let you go  
All we need is all we got  
Sunset lovin' in a parkin' lot  
Sunset lovin' in a parkin' lot

It's just you and me gettin' free  
Sunset lovin' in a parkin' lot  
It's just you and me gettin' free  
Sunset lovin' in a parkin' lot (sunset lovin')  
It's just you and me gettin' free (sunset lovin')  
Sunset lovin' in a parkin' lot  
It's just you and me gettin' free
