

## McGuerkin on the Bridge

Gloryful

Brave to the elements  
His heart is made of steel  
Greeding for goddess' blood  
Never ending hate is real  
Hunting for evil  
Hell already waits  
Revenge best served cold  
Fear all what hates

Watch out...  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
Fear, his name  
McGuerkin's on the bridge

Raising the flag  
Leading the pack

Hush, hush, don't say a word  
Fire in his eyes  
A goddamned stranger to this world  
Guiding crew  
Through the never  
Stand as one, as one till the end
