

Exit At Gate Zero

Glucifer

I got a phone call
And I am back on the street
I'm throwing curses
At the people I meet

I got a black heart
Working deep on the inside of me
'Coz I'm back on the street
Where I swore that I would never be

And now I'm heading for shame
Yeah, what a game
I said I'm back on the leash
'Coz I'm always there to reach

See me on my knees
I'm taking hits saying please
I got the spine of a snake
Think I'll give myself a break

I got a closet, baby
You wanna keep it shut
I'm sentimental
But you're kicking me in the gut

When I've decided that
This is never gonna bring me down
You got me running to your door
Like a loser, got me running around

And now I'm heading for shame
Yeah, what a game
I said I'm back on the leash
'Coz I'm always there to reach

See me on my knees
I'm taking hits saying please
I got the spine of a snake
Think I'll give myself a break

I'm gonna press my face to the mirror
Gonna shape things up
I'm gonna smash my fist through the door
'Coz I'm cracking up

I can't take take it anymore
I wanna let it go
But now I'm running down the street
'Coz you're telling me I can't say no

And now I'm heading for shame
Yeah, what a game
I said, I'm back on the leash
'Coz I'm always there to reach

See me on my knees
I'm taking hits saying please

I got the spine of a snake
Think I'll give myself a break

Yeah, I'm heading for shame
What a game
I said, I'm back on the leash
I'm always there to reach
