

It Won't Be

Gluecifer

It won't be like you want it to be
It won't be like you want it to be
I don't know what you're lookin' for
I don't know what you're lookin' for
Well, I can try and I can try some more
But I still can't give you what you're lookin' for
It won't be like you want it to be
It won't be like you want it to be
Well, I've been laid out as a son of the sun
I've been read like a book and I'm ready to run
I've been a fire on a full moon night
Now I'm readin' like a zero and I feel alright
Hey, hey, hey now, baby
I don't care what you think about me
?Cause it won't be like you want it to be
It might seem, seem a little hard to get
It might seem, seem a little hard to get
But it's the end, baby, it's the end of this set
I know it seems, seems a little hard to get
It won't be like you want it to be
It won't be like you want it to be
Well, I've been laid out as a son of the sun
I've been read like a book and I'm ready to run
I've been a fire on a full moon night
Now I'm readin' like a zero and I feel alright
Hey, hey, hey now, baby
I don't care what you think about me
?Cause it won't be like you want it to be
Well, I've been laid out as a son of the sun
I've been read like a book and I'm ready to run
I've been a fire on a full moon night
Now I'm readin' like a zero and I feel alright
Well, I've been laid out as a son of the sun
