

# Blind Mary

Gnarls Barkley

Ah  
Um, ah

Yeah, I love Mary  
(I love Mary)  
Blind Mary, marry me  
(Marry me)  
I love Mary

She has never seen the sunshine  
(Sunshine)  
Yet, she's getting along just fine  
(Fine)

She's not staying, she's just passing through  
Hey, do you mind if I follow you?  
You

I love Mary  
(I love Mary)  
Blind Mary, marry me  
(Marry me)  
I love Mary, yeah

I heard a voice say catch me if you can  
Before you know it I was holding her hand  
It's harder to imagine, I understand  
How she knows exactly who I am, yeah

I love Mary  
(I love Mary)  
Blind Mary, marry me  
(Marry me)  
I love Mary, yeah

She's my friend, she doesn't judge me  
She has no idea I'm ugly  
So I've absolutely nothing to hide  
Because I'm so much prettier inside

Yeah  
I love Mary  
(I love Mary)  
Blind Mary, marry me

I love Mary  
(I love Mary)  
Blind Mary, marry me
