

Go-Go Gadget Gospel

Gnarls Barkley

I'm well on my way
I'm almost everything
And this is my day
Make me wanna sing

I'm free, look at me
And all and everything
I'm allowed to see
Free, come and see
Na Na Na Na Na Na Na

Shapeless, Formless
Heart is enormous
I've born this, I've worn this
No never what the norm is
Come here this is fearless
Contrast in colour
Wisdom's a woman
Listen and love her

I'm free, look at me
Freedom in Hi Fidelity
Free, come and see
Na Na Na Na Na Na Na

What you waiting on
I want action, passion, smiling
Laughing, yielding, feeling
Helping, healing
Introduce your neighbour to
You saviour

I'n free, look at me
Freedom in Hi Fidelity
Free
Na Na Na Na Na Na Na
