## **Surprise**

## **Gnarls Barkley**

It?s cool being the only one but it?s lonely
I could have fallen in the stove
A thousand times before
If only someone had known me

They say there?s someone for everyone Oh, plus the word will be never done When all you need is to be met half way But nobody tried

Don?t be surprised Don?t be surprised Don?t be surprised

There are hills and mountains between us Always something to get over Needless to say it?s a wonderful day I just noticed how nice it was to know ya

Oh, but be ready to sacrifice
If you love him you should tell him twice
Because when everything that?s alive
Ultimately dies, oh Lord

Don?t be surprised Don?t be surprised Don?t be surprised

Somebody?s watching
Maybe you want 'em to see you
But with your regrets and secrets
You don?t really want them to be you

Well, you can make believe I?m that And for now I?ll be just fine But when the child grows up to have more Than just your eyes

Don?t be surprised Don?t be surprised Don?t be surprised

Now the ending to every story is most enchanting Now whether it's heaven or hell I wear it well Please forgive me for rambling

I just wanted ya?ll
To know that I don?t know it all
So when that big ole smile ends up
Being just a disguise

Don?t be surprised Don?t be surprised Oh Lord

Don?t be surprised

Oh Lord Don?t be surprised

I said, "Don?t be, don?t be surprised"
There?s nothing left in here
That?s surprising, baby, 'prising, baby
