Gnash

Oh, oh, oh, oh
Oh, oh, oh, oh

Faded red, short sleeves
I can't forget the way you looked without your jeans on
It's in my drawer and you're all I dream, so
I had to let you know you left it here with me

It kills me to admit that I still want this bad
And I try to forget all the feelings I had
But each time that I look in my closet I can't
Cause I've still got your T-shirt, do you want it back?

I gave you love and all you did was leave first
Then you told me that I shouldn't be hurt
I try to hide it but it couldn't be worse
You broke my heart and all I got was this T-shirt

Something 'bout the way I love you seems cursed
But I've learned karma tends to be a b-word
So I hope you get everything you deserve
You broke my heart and all I got was this T-shirt

T-shirt, this T-shirt
You broke my heart and all I got was this T-shirt

I'd burn it in a fire if I didn't know the smell
I'd bury it 6 feet deep if that would help
I'd hold onto it longer, but you don't like being held
So I'd really like to see you
So that maybe I could tell you

It kills me to admit that I still want this bad
And I try to forget all the feelings I had
But each time that I look in my closet I can't
Cause I've still got your T-shirt, do you want it back?

I gave you love and all you did was leave first
Then you told me that I shouldn't be hurt
I try to hide it but it couldn't be worse
You broke my heart and all I got was this T-shirt

Something 'bout the way I love you seems cursed
But I've learned karma tends to be a b-word
So I hope you get everything you deserve
You broke my heart and all I got was this T-shirt

T-shirt, this T-shirt
You broke my heart and all I got was this T-shirt

Maybe this time you could take one of mine
And maybe this time everything would be fine
So maybe tonight we could wrong all our rights
So maybe it's time we should give it a try

I gave you love and all you did was leave first
Then you told me that I shouldn't be hurt

I try to hide it but it couldn't be worse
You broke my heart and all I got was this T-shirt

Something 'bout the way I love you seems cursed
But I've learned karma tends to be a b-word
So I hope you get everything you deserve
You broke my heart and all I got was this T-shirt

T-shirt, this T-shirt
You broke my heart and all I got was this T-shirt
T-shirt, this stupid fucking T-shirt
You broke my heart and all I got was this T-shirt
