

## Hey DJ

**Go Back to the Zoo**

Hey DJ we're the kids from the radio  
He smiles  
Oh you won't hear me complain  
He says hi  
But he doesn't know your name  
Oh he's a dj  
HEY DJ we're the kids from the radio  
Oooo I hope I die at 27  
Laugh about you on a cloud from heaven  
Start a revolution start a war  
Start a band steal a car  
Grab your dreams and thoughts for free  
It's easy flying overseas  
It's easy living here you see  
It's easy smiling on tv  
I'm the one you and me know  
You allways wanted to be  
My name is benny blisto  
Please to meet you  
I'm the world  
I'm king  
I'm god  
HEY DJ we're the kids from the radio
