

## House On Fire

**Go Back to the Zoo**

I won't do it again

this is the last time fighting on a saturday  
I hope you'll agree  
I won't do it again

oh lord, this house is on fire

this is the last time fighting on a saturday  
I hope you'll agree  
I won't do it again

I won't break it  
love will save us  
again

oh lord, this house is on fire

this is the last time fighting on a saturday  
I hope you'll agree  
I won't do it again
