

House On Fire

Go Back to the Zoo

I won't do it again

this is the last time fighting on a saturday
I hope you'll agree
I won't do it again

oh lord, this house is on fire

this is the last time fighting on a saturday
I hope you'll agree
I won't do it again

I won't break it
love will save us
again

oh lord, this house is on fire

this is the last time fighting on a saturday
I hope you'll agree
I won't do it again
