## I Lov It

## Go Back to the Zoo

little by little, we fucked it up little by little, until we had enough well maybe we're crazy

we ain't too proud to be fuckin around we get up on the roof until they get us down well maybe 2x

we came here to start a war 7x

things are getting ugly as the rumor spread they say these city kids are full of arrogance well maybe  $2\ensuremath{\mathbf{x}}$ 

we ain't too proud to be talked about but these stakkerfaces they got nothing else well maybe 2x

we came here to start a war 7x

we came here to start a war 8x
