

## Keep On Running

**Go Back to the Zoo**

If I had time I'd spend it home with you  
do the things, do the things we do

If I had time I'd spend it home with you  
wasting time, endless afternoons

so fast  
so tired  
so weak  
and so strong

I think we move too fast  
We gotta get this started

Keep, keep, keep on running  
We gotta get this started

Be alone write a song for you  
Falling hard is all I ever do

Don't stop believing.
