## **Keep On Running**

## Go Back to the Zoo

If I had time I'd spend it home with you do the things, do the things we do

If I had time I'd spend it home with you wasting time, endless afternoons

so fast
so tired
so weak
and so strong

I think we move too fast We gotta get this started

Keep, keep, keep on running
We gotta get this started

Be alone write a song for you Falling hard is all I ever do

Don't stop believing.
