

Somebody Else

Go Back to the Zoo

Rollercoaster drinking in the afternoon
wobbly barely stands on his feet
I said, I can't believe
what's happening to me

I'm on my knees
won't you forgive me please
I'm running for the morning sun
you said I give you no reason
baby here it comes

Somebody else tried to be on my side
Somebody else tried to get in my mind

They say that people change
and they come and go
but I'm knocked down on the floor
I said, can't we go back,
to how it was before

I might have said that I loved you
And i don't think I was wrong
It's like that beautiful rainbow it was
there, but now it's gone

wasting my time
falling hours
I was gruesome
