## **O Holy Night**

O Holy night The stars are brightly shining It is the night Of our dear Saviour's birth Long lay the world In sin and error pining Til he appeared And the spirit felt its worth A thrill of hope The weary world rejoices For yonder breaks A new and glorious morn

Oh and fall on your knees Oh and hear the angel voices Oh and night divine Oh night when Christ was born

And led by the light Of faith serenely beaming With glowing hearts By His cradle we now stand All the world a star And this star sweetly gleaming Now come the wise men Out of the Orient land

La (La la la) (La la la la la la la la)

Oh and fall on your knees Oh and hear the angel voices Oh and night divine Oh night when Christ was born

Oh night Divine Oh night And oh fall on your knees Oh God can you hear The angel voices Oh night Divine Oh night When Christ was born Go Radio
