

I dropped a penny and you picked it up
You want to be something when you grow up
You make me laugh and you don't even try
You say that sometimes you just like to cry

I'm in love with that
I'm in love with you
And I'm in love with everything that you do
You couldn't make a mistake in my eyes
Just the way that you are has got me hypnotized
That I'm dreaming, dreaming
Dreaming about you

I asked you if you could ever love me
You said the oranges in your garden are free
I asked you if there was more to this thing
You said that you liked the way that I sing

I'm in love with that
I'm in love with you
And I'm in love with everything that you do
You couldn't make a mistake in my eyes
Just the way that you are has got me hypnotized
That I'm dreaming, dreaming
Dreaming about you

Somebody took all the things that
I wish for the most and put them in you, in you
I know that I shouldn't like you this much I can't help it
Oh well, I just do
I just do

I said that being your friend was okay
You called when I wasn't home yesterday
I offered romance to you by mistake
Still you laugh at most every joke that I make

I'm in love with that
I'm in love with you
And I'm in love with everything that you do
You couldn't make a mistake in my eyes
Just the way that you are has got me hypnotized
That I'm dreaming, dreaming
Dreaming about you
