

## Call Me

Go West

Face to face  
My reflection in your eyes  
I was scared to say too much  
Perfect strangers in perfect worlds apart  
Almost close enough to touch  
Staring at my shoes  
Feeling so confused  
Shot down without a gun  
Victim of a hit and run  
Won't you...

Call me - call me  
No time to hesitate - we must communicate  
Call me - call me  
Won't you call this number nowwww

Mesmerised  
I go back to where we met

A reconstruction of the crime  
I can't track you down  
Nowhere to be found  
Now my one shot at success  
Is the power of the press  
Won't you...

Call me - call me  
No time to hesitate - we must communicate  
Call me - call me  
Won't you call this number nowwww

Worlds apart - we are worlds apart

Watch this space  
There's a message here for you  
No need to read between the lines  
I am inside out  
There can be no doubt  
I want you and no-one else  
Please identify yourself

Call me - call me  
No time to hesitate - we must communicate  
Call me - call me  
Won't you call this number nowwww
