

# Don't Look Down

Go West

How much longer 'til the curtain rises?  
First night stage fright always hypnotizes  
Leading ladies never think about it  
Live without it

Try to hide your fear of falling  
Keep your eyes on me, I'm calling

Don't look down girl  
You know you're holding aces  
Don't look down girl  
Don't give the game away

One more heartbeat and you walk the wire  
Why wait? Ooh, it's too late to put out the fire  
Almost strangers, can you stop deceiving  
Start believing

Try to hide your fear of falling  
Keep your eyes on me, I'm calling

Don't look down girl  
You know you're holding aces  
Don't look down girl  
Don't give the game away, 'cause baby

Oh, even when you feel you can't go on  
Laughing at the rain you fool no one  
If you don't wanna lose what you have found  
Then don't look down

Changing partners is just substitution  
It's no solution

Try to hide your fear of falling  
Keep your eyes on me, I'm calling

Don't look down girl  
You know you're holding aces  
Don't look down girl  
Don't give the game away

Don't look down girl  
You know you're holding aces  
Don't look down girl  
Don't give the game away

Don't look down  
Don't look down  
Don't look down

...
