

# Goodbye Girl

Go West

Footsteps echo on familiar streets  
Crossing bridges, never burned  
I am tired of playing hide and seek  
Is this all that I have learned?

Looking for a diamond in the dark  
I was sure you were the one  
You held me spell bound  
While you made your mark  
Now, the damage has been done

Goodbye girl, it's a game  
We play every time we say  
Goodbye girl, you hypnotize  
I can't say goodbye

I'm afraid when I turn out the light  
Words you say while you're asleep  
Where you were and what you did last night?  
Those are secrets you can keep, yeah

Goodbye girl, it's a game  
We play every time we say  
Goodbye girl, you hypnotize  
I can't say goodbye

Tied to you, blood on the wire  
Don't you know you've pushed me much too far?  
Just who do you think you are?  
I can't escape, must almost need you around  
Every time I say goodbye, you hypnotize

Footsteps echo on familiar streets  
Crossing bridges, never burned  
I am tired of playing hide and seek, yeah  
Is this all that I have learned?

Goodbye girl, it's a game  
We play every time we say  
Goodbye girl, you hypnotize my eyes

Goodbye girl, it's a game  
We play every time we say  
Goodbye girl, you hypnotize  
I can't say goodbye

Goodbye girl, it's a game  
We play every time we say  
Goodbye girl, you hypnotize my eyes

Goodbye girl, it's a game  
We play every time we say  
Goodbye girl, you hypnotize  
I can't say goodbye
