

That's the Way

Gob

don't need no anyone don't need anybody talk to me
about handling relashionships it seems like everyone
it seems like everybody i think i really doubt i'd use their ad
vice
and tips but thats the way i was falling
and that's the way i was falling
and the way although it's just begun i've heard enough already
i feel i'm all worn out only just begun this trip this phenom
on
wich happens naturally something you hear
about more than just companionnship i remember
when it was breaking my heart even though
then i was falling apart even though....
