

# Empire of the Gun

God Forbid

It seems like yesterday  
That day I held you in my arms  
Now I'm gone  
The warm embrace of my protector is lost forever  
I will make it back to you or die trying  
You are with me every step I take  
I know not why  
But I must honor you  
I swear I will make it back home  
Back home

Soldiers won't be cast into their afterlives  
For a fight they never believed in  
Go!

It seems like yesterday  
That day I held you in my arms  
Now I'm gone  
The warm embrace of my protector is lost forever  
I will make it back to you or die trying  
You are with me every step I take  
I know not why  
But I must honor you  
I swear I will make it back home  
Back home

Soldiers won't be cast into their afterlives  
For a fight they never believed in  
I wasn't born to die

Empire of the gun  
Empire the...gun  
Empire of the gun  
We will not fail  
We will not falter  
Empire of the gun

Soldiers won't be cast into their afterlives  
For a fight they never believed in  
I wasn't born to die  
But I would sacrifice my life
