

## Gone Forever

God Forbid

I lived all these years, lost in a hallow shell  
Darkness clouds the corners of my mind  
Will I ever see the truth  
Will he ever reveal himself

Will I be gone forever  
Will I disappear

Mirrors all around  
Destroy me, reflections move  
Through the darkness  
Yet I still stand in fear and suffering  
Fear is the only end

I lived
