Try

God Lives Underwater

I can see you but I don't know what you're thinking
I can feel you but I don't know what you're feeling
You take me away when I look in your eyes
I can't reach you no matter how hard I try

I don't care what gets in the way
Some days I don't know what to say
I can't get this through to you
Maybe you just don't want me to try

I can touch you but I don't know if you'll let me
If you let me I don't know if I'll want to
You push me away and I don't come back
Sometimes it's so hard to get you to react

I don't care what gets in the way
Some days I don't know what to say
I can't get this through to you
Maybe you just don't want me to try

I can't help it I'm to young to be truthful
Maybe I'm not good enough to deserve you
You lead me astray and I can't fight back
Can't you help me, I want you to protect me

I don't care what gets in the way
Some days I don't know what to say
I can't get this through to you
Maybe you just don't want me to…
I don't care what gets in the way
Some days I don't know what to say
I can't get this through to you
Maybe you just don't want me to try
